

Houston County Sheriff's Office Communication Division

Annual Statistical Summary of Complaints and Internal Investigations 2022

Houston County Communication Division requires an annual statistical summary, based upon records of complaints and internal investigations. Additionally, this statistically summary is required, by standard, to be made available to the public and to agency employees. In accordance with policy, the following is the statistical summary of complaints and internal investigations for calendar year 2022.

For calendar year 2022, the 911 center received 33 complaints and 0 internal investigations. The investigations conducted by either a supervisor or a member of the command staff resulted in 26 of the 33 complaints being sustained (78.78%) and 7 being unfounded (14.28%). In 2022, The 911 center handled 112,949 emergency calls, 115,837 non-emergency calls, had 88,466 outgoing calls for a total of 228,786 calls. To illustrate, there is roughly 8,799 calls for every 1 sustained complaint.

Graph 1 shows a quarterly breakdown of the complaints received.

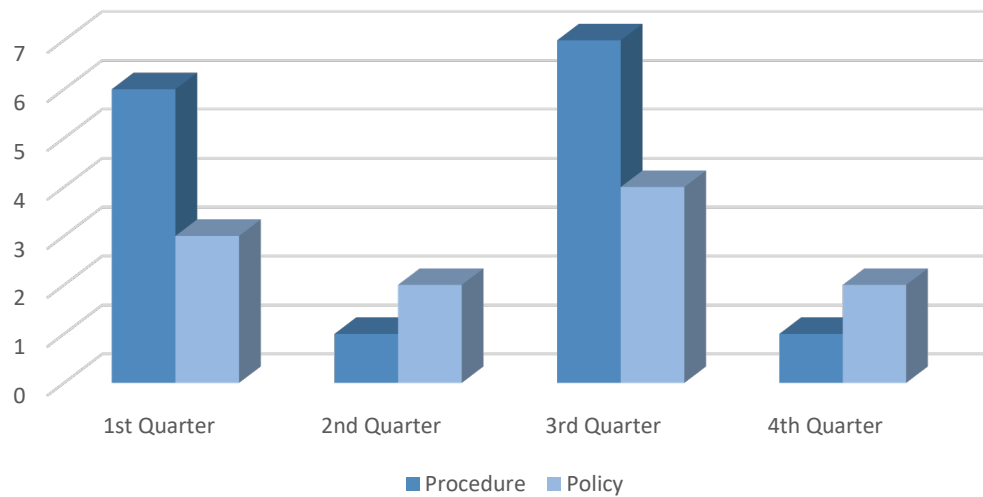

2022 Complaint Investigations

All complaints investigated are classified as one of two types: Violations of a procedure (e.g., address verifications error) or a violation of policy (e.g., code of conduct). Out of the 26 complaints, 15 were violation of a procedure and 11 were violation of a policy.

Graph 2 illustrates the type of complaints broken down by quarter.

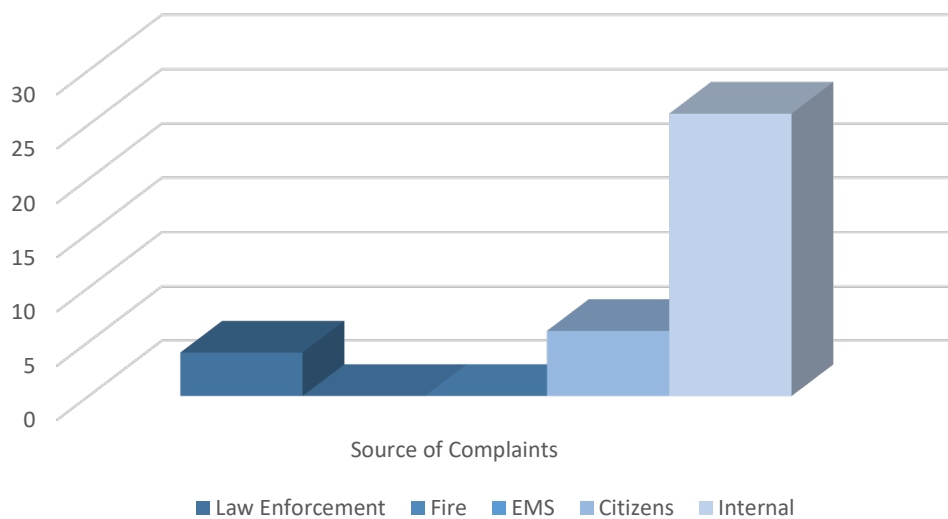

2022 Type of Complaint

As the 911 center serves law enforcement, fire, and ems, as well as the citizens of Houston County, the source of any complaints is also recorded in an effort to determine where improvements in service need to be made, if any.

Graph 3 illustrate the source of complaints.

2022 Source of Complaints

A further breakdown indicates that address verifications errors have improved with 3 being reported in 2022, a significant decrease from the 8 reported in 2021. The Houston County 911 center will continue to keep a close eye on address verifications and continue to train in briefings as well as quality assurance to ensure our employees verify locations. The Training/Accreditation Manager extended the new hire classes for 2 extra weeks to go over addresses and how to verify the addresses. The Training/Accreditation Manager will continue this practice to help our new employees. There was a total of 6 sustained complaints regarding officer safety as well as 6 sustained complaints for failing to dispatch/drop calls in the required amount of time. The Operations Coordinator will continue to address such issues via daily shift briefings and one on one coaching with employees as well as holding shift supervisors responsible for more closely monitoring day to day activities.

The result of this statistical summary will be available to all employees and citizens via the Houston County e911 website (www.houstoncountye911.com).
