Community Education Quarterly Report

This Community Education Quarterly Report is for the 1st quarter of 2021. The Training/Accreditation Manager completes a quarterly report on Community Education's objectives, problems, and successes. This report will also have information received from citizens about our events, as well as, input from agency representatives on training needs.

Community Education Objectives:

Houston County Emergency Services established the following Community Education objectives for 2021:

- HCES Community Education Employees will participate in the Warner Robins Citizen Police Academy sessions, Robins Leadership Tours and Houston County Career College Tours.
- On-Duty personnel will assist with tours of the Center by School aged children, scout programs or other community organizations.
- The staff will work with Training/Accreditation Manager to publicize events and successes of the center on social media platforms.
- Personnel will actively seek out organizations to educate them about 911.

Community Education Problems:

Potential problems the Community Education Team encounters is; lack of knowledge the community has pertaining to the fact that our agency has the capability to communicate with limited English proficiency speaking individuals, the ability to communicate with hearing impaired individuals, the RUOK program, and CareTrak Program. In March, we were made aware of COVID-19 and potential issues with speaking in the community. In March, we started to allow small events. We are slowly adding more but are keeping in guidelines with the CDC.

Community Education Successes:

Our RUOK program continues to be a success. We have had a few people ask to be removed and a few more be added to the program.

The Community Education Team has been on the following events for the last quarter:

Date	Organization	CE Team Member assigned
02/03/2021	Langston Elementary	Caitlyn Campbell, Alisyn Harper, Veronica Edens and Chelsea Walker
03/16/2021	Perry Youth Leadership	Amanda Shell, Chelsea Walker, Caitlyn Campbell

Input from Citizens/Agency Representatives:

After tours are complete, we are sending a survey to the Citizen and/or Agency Representatives to give us input on how the tour went, likes / dislikes and improvements. These are the results:

1. What did you like about the tour?
"The way the presenters interacted with the group and made the topic interesting, how well the presenters related to the group and how well the presenters answered questions. "
2. What did you dislike about the 911 tour?
"The slight delay with getting the phone call to play – but that was quickly resolved."
3. Is there something you would have liked to see more of?
"I cant think of any way the tour can be improved beyond what it is already."
4. How do you feel our 911 representative handled the tour?
"They all did a fantastic job!"
5. Are there any improvements you feel we should implement in the future?
"Yes, in question #5, the words needs to be changed to there. Other than that, it was truly a fantastic time!"

Our feedback was positive. We have already recorded several new calls to use during events. We are looking forward to having more community education tours this year.
